## NOTES

- Training fees may be subject to change **without notice** due to third party increases which are outside our control e.g. fuel price increases, changes due to FAA and EASA regulatory requirements, etc.
- Some students may require **additional training** on top of the programme syllabus
- 2FLY reserves the right to make changes and improvements to the programme without prior notice. All programme durations are approximate and may be subject to delays outside of our control.

## PRE-ENTRY REQUIREMENTS

Candidates must be:

- **18** years of age before starting training
- Have 5 GCSEs **or an equivalent diploma**
- Be fit enough to obtain UK/EASA Class 1 **medical**
- Be able to read, write and understand **English**
- Successfully complete the **2FLY Skills Assessment**

## THE NEXT STEP

- If you have not already done so, consider attending a seminar at our UK headquarters at East Midlands Airport or register for an online webinar, details of which can be found on our website at [www.2flypropilot.com](http://www.2flypropilot.com)
- Apply/enrol online by visiting [www.2flypropilot.com](http://www.2flypropilot.com)
- Contact a training advisor to arrange your Skills Assessment which will take place at our Assessment Centre at East Midlands Airport
- Prepare for the Skills Assessment by reading and watching the Skills Assessment Guides and video.
- Any questions, contact a training advisor (details below)
