Notes

- The deposit is non-refundable
- **Training fees may change without notice** due to:
 - third party increases outside our control e.g. fuel prices
 - changes to FAA and EASA regulatory requirements
 - changes to government tariffs
- Some students may require additional training on top of the programme syllabus
- 2FLY reserves the right to make changes and improvements to the programme without prior notice. All programme durations are approximate and may be subject to delays outside of our control

Pre-entry requirements

Candidates must be:

- 18 years of age before starting training
- High School Graduate
- Be fit enough to obtain EASA Class 1 medical
- Be able to read, write and understand English
- Successfully complete the 2FLY Skills Assessment

The Next Step

- Consider attending one of our regular 2FLY information seminars held at major cities throughout UK and Europe or register for an online webinar. Details can be found on our website at www.2flypropilot.com
- Apply/enrol online by visiting www.2flypropilot.com
- Contact a training adviser to arrange your Skills Assessment
- Prepare for the Skills Assessment by reading and watching the Skills Assessment Guides and video
- Any questions, contact a training adviser (details below)
