17% total course fee	due WEEK 8
17% total course fee	due WEEK 12
14% total course fee	due WEEK 16
9%* total course fee	due WEEK 20

*\*Final instalment calculated to achieve \$81,529 USD and £27,420 GBP, with this published GBP retail pricing based on exchange rates as of Q4 2025.*

### Notes

- The deposit is non-refundable
- **Training fees may change without notice** due to:
  - third party increases outside our control e.g. fuel prices
  - changes to FAA and EASA regulatory requirements
  - changes to government tariffs
- Some students may require additional training on top of the programme syllabus
- \*Access to the Airline Orientation Module based on:
  - Knowledge, Skills, Attitude (KSA)
  - Charter demand volume to facilitate AOM
- 2FLY reserves the right to make changes and improvements to the programme without prior notice. All programme durations are approximate and may be subject to delays outside of our control

### Pre-entry requirements

Candidates must be:

- 18 years of age before starting training
- Have 5 GCSEs or an equivalent diploma
- Be fit enough to obtain UK/EASA Class 1 medical
- Be able to read, write and understand English
- Successfully complete the 2FLY Skills Assessment

### The Next Step

- If you have not already done so, consider attending one of our regular information seminars held at major cities throughout the UK or register for an online webinar. Details can be found on our website at [www.2flypropilot.com](http://www.2flypropilot.com)
- Apply/enrol online by visiting [www.2flypropilot.com](http://www.2flypropilot.com)
- Contact a training adviser to arrange your Skills Assessment which takes place at our Assessment Centre in Nottingham
- Prepare for the Skills Assessment by reading and watching the Skills Assessment Guides and video
- Any questions, contact a training adviser (details below)
